

We asked the question ...

In our country, how many children go hungry because their family haven't got enough food?

The answer is ... 4 million children

We decided to do something to help...

“Whoever has two tunics is to share with him who has none, and whoever has **food** is to do likewise.”

Matthew 25:31-46

We'd like to thank everyone who made a donation to our Food Bank Appeal.
