Minutes

1. Archie signed the minutes in the absence of Daniel.
2. The councillors laid the wreath and small crosses on the remembrance garden.
3. We decided that, as the nights are getting darker, earlier, we should make sure that children can be seen. We watched some 'Be Safe, Be Seen' clips on the computer. We watched one clip and it asked us how many people we could see on a dark street. We could see 2 people who had reflectors on their clothing – but we couldn't see the two people who were with them because they were dressed in dark clothing with no reflectors.
We will deliver an assembly – one Wednesday (possibly 4th December) – in which we will show the children what NOT to wear on a dark night and also what they should wear. Councillors will look at home to see if they have reflective aids and clothing that they can bring in to show the other children. Mrs Mills will contact the Rotary club and PCSO Jayne to see if we can get some reflectors for the school.
4. AOB – Mrs Mills asked councillors to think about how the Rotary Club can help the children of Wainfleet as they have access to some money as a result of the flooding in Wainfleet last June.
5. Archie closed the meeting with a prayer.
