Agenda :

1. DJ will read the minutes of the last meeting. Charlie will sign them as a true record.
2. Update on Buddy Bench – set the date for book sale, finalise plans for fundraiser. Get the books and sort into 50p and £1 books.
3. Community work – Alice and Jacob suggested a litter pick. What do we think and when shall we do it?
4. Closing prayer

Minutes

1. Jacob read the minutes in the absence of the secretary. They were accepted as a true record and Mrs Mills signed them in the absence of a Chair.
2. **Matters arising** : Mr Smith has agreed that the ICT suite needs some blinds and will arrange for somebody to come into school and measure up, in order to get a quote. Alice said that if the quote is too expensive, then the school council could donate some of our money from the Book Sale. Mrs Mills thought that this was a very kind gesture.

Miss Adams had already planned to start Times Tables Rock stars at play times after Christmas. We must be mind-readers!

Year 6 elections – Jacob reported that elections haven't been held yet, but the class are talking about it. The council are keen to elect a new Y6 councillor as soon as possible.

Alice & Jacob found the church shop on Sunday as we paraded through Wainfleet for the Remembrance service.

Rylie is going to talk to her dad about using some of his sandpaper to sand the Buddy bench as she thought that this would save us some money.
3. We have set the date for the Book sale as Thursday 29<sup>th</sup> November. We will count the money during our meeting on 30<sup>th</sup> November. We went to the Book Bank and chose some books to sell, we also got some books from Mrs Mills' office – we bagged them up according to price £1, 50p or 20p.
4. We ate some cake at the World War I and II afternoon tea.
