

Over this term we would like you to choose a **minimum of 6** different activities below as your homework tasks. **Everyone must complete 6 tasks throughout the term.** We hope that by continuing with this style of homework, this will encourage everyone to take part and give parents a chance to become more involved in working with their children on fun, creative and exciting activities. Children's completed homework tasks will be recorded and monitored. **Any children who do not complete at least one homework task per week, either at home or during homework club, will be spoken to and will be asked to stay in at playtimes to complete their tasks.**

Please ask parents, family members or friends to join in and have fun. You can use your homework task book for writing tasks, evidence logs, saving photos taken for evidence. When each task is completed you need to bring it in or take photographs as evidence. (These can be emailed to your teacher) As evidence is seen we will tick off your tasks and record your choices. We are hoping by giving everyone choices that a selection of activities will be completed by pupils with support from family members.

<p>1. History Make a fact file about either the Bronze Age or the Iron Age – How many facts can you tell me?</p>	<p>2. French Create a poster of colours showing French spellings for these.</p>	<p>3. English Find a picture of a place that you would like to visit. Use it as a setting to write the introduction to a story.</p>	<p>4. Science Use a fridge magnet. Test different items. Make a list of the items that are attracted to the magnet. Tell me why these items are attracted to a magnet.</p>	<p>5. Maths Complete 15 minutes a day on ttrackstars for a week.</p>	<p>6. DT Make a marble run – you could use the insides of kitchen roll – make sections where the marbles will run faster or slower.</p>
<p>7. English Find some photos of different places. Write some captions to go with these.</p>	<p>8. Maths Make a right angle tester using the corner of a piece of paper. Find ten objects at home that have a right angle.</p>	<p>9. Art Create a picture using light, medium and dark shading.</p>	<p>10. RE Find or draw three pictures/ symbols that represent each part of the Holy Trinity and explain what the Holy Trinity is.</p>	<p>11. Science Find out how magnets can be used in different ways. List 10</p>	<p>12. Maths Write down 10 3-digit numbers. Round them to the nearest ten and the nearest hundred.</p>
<p>13. English Make a poster about some spelling rules you know – ask your parents if they can remember any – make it easy to read/ use for other children.</p>	<p>14. RE Create your own piece of art showing Jesus' baptism. You can use your own chosen technique e.g. pastel, paint, collage, crayon etc...</p>	<p>15. Music Find out about a famous musician from the 19th Century. Write a fact file about them, telling me lots of information.</p>	<p>16.
