Monday 20<sup>th</sup> September 2021

Dear Parents and children,

I will be starting an Eco Club which will be open to children in Years 2, 3 and 4. Places will be limited to 15 children and will be allocated on a first come, first served basis.

We will be learning about the environment and environmental issues such as: reducing waste, recycling and re-using materials, biodiversity, energy use, healthy living, water and improving our school community grounds. Children will take part in fun activities each week from re-using materials and creating something new to planting vegetables in our vegetable patches around school.

If your child is interested and is in the above year groups please return your slip as soon as possible to secure their place.

Details of Eco Club are:

Venue: The Reception Ark      Day- Wednesdays- beginning the 29<sup>th</sup> September

Time: 3pm-4pm

Many thanks,

Mrs Sealey
