

Our Holy Father in heaven,

Please forgive us for the wrong choices we have made.

Thank you for our AMAZING teachers and school staff who help us to learn about you, the world and who also encourage us to follow in Jesus' footsteps.

We are grateful for this perfect, outstanding and AWESOME school where we can absorb knowledge. The equipment we have allows us to work at our best and have fun.

Please help us to follow our Ten Magdalen Values as well as our British Values in school and at home. Guide us towards goodness and help us to become closer to you in our daily lives.

We ask that you will protect and care for us all now and forever

Amen
