SIAMS outstanding

Friday 5<sup>th</sup> November 2021

Dear Parents,

This school year our class will be using Seesaw (<http://seesaw.me>), a secure online journal where students can document and reflect on what they are learning in class. Currently, work is just being added at home for homework. I would like to begin using this to share work in school.

In order for your child to use Seesaw at school, the app needs your child's name in order to be able to associate work like their photos, videos or voice recordings with their account. Seesaw only uses this information to provide the service and doesn't advertise in Seesaw, create profiles of students, or share or sell your child's personal information or journal content. You can read more about their strong privacy promises here: <https://web.seesaw.me/privacy>.

Under an EU law called the General Data Protection Regulation (GDPR), in order for your child to use Seesaw in school, the school must get your consent. For more information on GDPR, please visit <https://ec.europa.eu/info/law/law-topic/data-protection/reform/rights-citizens>.

I hope that your child will enjoy using Seesaw to document and share their learning this year. Please sign below and return this permission slip so that your child can use Seesaw and we can share the amazing work that your children do in class.

Kind regards,  
Miss Adams

**Please sign below and return the form ASAP – THANK YOU.**

I give consent for my child, listed below, to use Seesaw for class activities.
