*Dear Parents, Carers and Children,*

*Welcome to June's newsletter!*

*I hope that you have all enjoyed your half term break. I hope that you enjoyed the 4 day weekend to celebrate the Jubilee. We certainly had fun on the last day of term - thank you for your support - it was a day to remember. I hope that you enjoy the photos in this newsletter.*

*You will see from the diary dates page that Sports Day is coming up! We are reverting to a more traditional sports day format this year, we hope that you are able to join us —further details will be sent nearer the time.*

*This term, our key focus will be on preparing your child/ren for the next stage in their school journey. We will be making sure that they have the opportunity to work with the teacher, and staff, with whom they will be working in the academic year 2022—2023.*

**Summer Term 2**

**Monday 6th June - Friday 22nd July**

## Family Learning

The Reception children have the opportunity to work with their parents, in school each Friday during the Summer Term. We are so happy that many parents have enrolled on the programme - it's going to be lots of fun! The children enjoyed their first workshop which was based on the story of The Tiger Who Came to Tea. Just look at these amazing tigers!

## Wagtail Watch!

We are very excited to announce that the Wagtail eggs have hatched! The chicks are keeping their parents very busy— it's such fun to watch them flying to and from the nest, carrying food for their babies.

## Attendance Matters

Every Day Counts....

Meet ISLA - our attendance mascot. Each week, the class with the best attendance gets to keep ISLA for the week ...

**100%**  
**PERFECTION**

**96%+  
VERY GOOD**

At this level, you give yourself the best chance of achieving your potential.  
96% equals 7.5 days absence in a year.

**93% - 95.9%  
COULD BE BETTER**

95% means a half-day missed every 2 weeks.  
In a year, that's 43 lessons to catch up on.

**90.1% - 92.9%  
IMPROVEMENT REQUIRED**

92% equals 3 weeks of lost learning every year.  
Between Y7 and Y11, this means 15 weeks lost in total.

**90% and below  
PERSISTENTLY ABSENT**

At 90%, you have missed almost 100 lessons in a year.  
Attendance at 90% each year means that by Y11, you will have missed out on 6 months learning.

Your child is expected to attend school *every day, on time*, unless they are ill — their future success depends on it.

### So why does attendance matter?

'Pupils with no absence are over twice as likely to achieve 5 A\*-Cs in their GCSEs' (that's 5 Grade 5s now)

'There is a clear link between poor attendance at school and lower academic achievement.'

90% of young people with absence rates below 85% fail to achieve five or more good grades of GCSE and around one third achieve no GCSEs

If you would like to know your child's % attendance — please just ask. If you are struggling to get your child to school— we want to help!

Your child deserves the best !

Time to celebrate our achievements from the past month ...
